## GRAPHIC DESIGN

- Gittus Graphics
- HK Australia Education
- Southern Area Concert Band

Extensive training in working with the Adobe suite, focusing on Photoshop, Illustrator and InDesign. I have the capability to transfer skills across programs and can work around file types, platforms and requirements easily.

I can create advertisement materials (posters, flyers, online marketing, etc.) and am confident with appealing to the required audience to a professional standard and within an efficient time frame.

I have previously demonstrated these attributes at HK Australia Education and Southern Area Concert Band, and have additionally photographed and made photo edits with LightRoom for both.

## HOSPITALITY

- Red Relish Kitchen

Experience in working with people; active listening, customer service, patience and teamwork. In this environment I also developed working quickly and calmly under pressure and successful application of multitasking.

As a waitress, enthusiasm and flexibility was key, these skills have carried through the remainder of my working life.

## TUTORING

- VCE Tutor
- Art/ Music Teacher

Being heavily involved in tutoring daily for one year and maintaining a weekly teaching sessions for groups and individuals i have developed keen time management and interpersonal skills. I have worked and work with all age groups, finetuning my communication skills with toddlers to adults.

As a private teacher I am capable of planning for individual students and recognising personal aims and requirements in order to pursue each of their goals.

## FREELANCING

- Music Performer and Accompanist
- Artist and Illustrator

Working upon request and on a large spectrum of varying requests, freelancing has enabled me to develop excellent flexibility with time management and application of skills.

As a piano accompanist for many AMEB exam students, I have proven to be an effective motivator, mentor and sharp responder to arising issues.

## BUSINESS OWNER

- WabiNabi Art

Starting my own business to sell prints of my personal artwork has pushed me to understand business structures, social marketing, and self discipline. This challenge has developed financial planning skills and personal research abilities.

## EXPERIENCE

During studies before university I have been heavily involved in a number of **LEADERSHIP** roles and actively took part in co-curricular activities and studies. As Junior/Middle/Senior Music Captain, Vice House Captain, Junior/Middle Mathematics Captain and School Pianist I have had numerous opportunities inside and out of the school environment to develop particular skills. These include **SPEAKING** and **PERFORMING** to audiences of sizes up to 2000+ people, conducting and leading around 200 students, **MOTIVATING** students of all high school year levels, and high **MANAGEMENT** skills. Additional to leadership roles, I participated in various co-curricular sports and activities. I represented the school in State Table Tennis and District Cross Country, and participated in 12 bands/ensembles over 6 years with 4 instruments. My involvement and achievements in the school was supported by my various **AWARDS** not limited to the Junior/ Middle Academic Award, Performing Arts Award, School Soloist 2015, Dux of Music 2015, Principal's Award and Quiet Achievers award. Since high school, I have continued to **PARTICIPATE** in the **COMMUNITY** as a musician, graphic designer, photographer and supervisor. I have represented the City of Kingston with three ensembles since Jan 2016, provided design/photography for City of Kingston as well as supervise, design and manage camps for **INTERNATIONAL** students as part of HK Australia Education. At Swinburne University of Technology, I worked with the Civil Engineering Society as their graphic designer and **COMMITTEE** member. I am now currently involved with Team Swinburne SAE and Run Club as **MARKETER** and graphic designer. I am also **aACTIVELY** involved with the Dean's Scholarship program which has provided me with many social and time management **TECHNIQUES** in my first year of university.

## SKILLS AND EXPERTISE extended

### ARTS

As a mixed media artist, my range of knowledge in tools and applications is vast. I am familiar with traditional mediums such as oil painting, graphite, charcoal and colour pencil as well as contemporary use of water colours, markers, calligraphy tools and inks.

- I am also fluent in using digital softwares to both edit and illustrate my works.
- 

### MUSIC

Proficient in Piano, Flute, Clarinet and Voice. My experience lies in Jazz Vocals, Classical Piano and Flute as well as Contemporary Flute. My instrumentation extends to Guitar, Drum Kit, and Synthesized instruments.

I am capable of teaching music theory to a grade 5 AMEB level and have basic experience in composition and arranging.

### TEACHING

I am extremely capable at handling and motivating students. My patience allows for students to move at their optimum pace and gently encourages them to work through their own passion and motivation for the goals that they personally set. I believe in integrated learning and transferring abilities across to other fields of each students lives.
